HOW DO WE RECEIVE YOUR PERSONAL DATA?

Personal data we receive from you:

We receive personal data directly from you when you log in via our website, and/or when you sign up to our service.

Are you obliged to share your Personal Data with us?

In some cases, the processing of your Personal Data is necessary. This is relevant, for example, when we have to process your Personal Data in order to oblige to a contract with you or to provide a service to you. Without your Personal Data, we cannot provide our Service to you.

Automated individual decision-making

By using your Personal Data we can make certain decision automatically, for example selecting the right carrier for a specific shipment.. We do this based on the current location and the at ChainCargo known company address of the user. It is important that we can make these decisions, because by automating the selection of the correct carrier based on the data of the individual person we create a better matching strategy between shipper and carrier, which allows us to process shipments in a more efficient way.

If an automated individual decision has important consequences for you, you can ask for a reassessment by one of our employees.

How do we secure your Personal Data?

We do our utmost to protect your Personal Data from being lost, destroyed, abused, altered or spread by unauthorized parties. For this reason, persons who have nothing to do with your Personal Data, do not have access to them. We ensure this by taking the following measures:

Encryption (encoding) of digital files containing Personal Data;

Secure network connections with Secure Socket Layer (SSL), or a comparable technology;

The access to the Personal Data is strictly limited to the employees on a 'need to know' basis;

A CRM (Customer Relation Management) system that requires double verification before accessing Personal Data.

How long do we store your Personal Data?

We shall not store your Personal Data longer than the period in which we need them for the aforementioned purposes. We delete the Personal Data after we no longer need them for the purpose we process them for.

With whom do we share your Personal Data?

We may share your Personal Data with data 'processors' within the meaning of the Relevant Legislation. We conclude a Data Processing Agreement with these parties, which entails that they shall process your Data carefully and that they shall only receive the Personal Data they need to provide their service. These parties shall only use your Personal Data in accordance with our instructions and not for their own purposes. We share your Personal Data with certain [logistic planners]. These processors enable us to [process shipments in the most effective way]. We also share your Personal data with a [business software company] that helps us to [maintain our bookkeeping].

If we have a legal obligation to share your Personal Data, we will do so. This is the case, for example, if a public authority legally requires us to share your Personal Data.

Transfer

We shall only process your Personal Data within the European Union. We shall only process your data outside the European Union if that country offers an appropriate level of protection for your Personal Data.

We shall never transfer your Personal Data to other countries or to other parties than those mentioned above.
